My Favourite Primers

- **Bobbi Brown Vitamin Enriched Face Base**

Brightens, moisturizes, blurs pores, gives a gorgeous glow and smells divine. I use it a lot with my Urban Decay Optical Illusion Primer)

- **Urban Decay Optical Illusion Primer**

This is my most used primer as it smooths everything from pores to dry patches – only use a tiny bit

- **Charlotte Tilbury Flawless Filter shade 3**

This gives a gorgeous glow to the skin and I love this peachy shade. Remember if using a shiny product try to stay away from any texture as the shine will highlight that area.

- **Sculpted By Aimee – Face Base - Golden Glow/ Pearl Glow**

These are beautiful leaving a soft glow to the skin. Also have SPF30.

- **Illamasqua Beyond Highlighter Liquid “OMG” and “Daze”**

These give more of an intense glow than the previous two.

I also like these but don't use them as often..

- MAC Strobe Cream – www.brownthomas.com
- MAC Mattifying Gel - www.brownthomas.com

(Tip: You can also be used around the eye area if you are prone to leaky eyes. Apply with a cotton bud around the whole eye area and it creates a matte seal before you apply any makeup)
